

## **RN**

We are seeking a compassionate and dedicated Registered Nurse to join the best gastroenterology practice in Colorado. The ideal candidate will possess a strong commitment to patient care and the ability to work effectively in a fast-paced environment. As a Registered Nurse, you will be responsible for delivering care to patients in collaboration with the providers and medical assistants. RN will perform a variety of clinical tasks including, but not limited to, staffing infusion center, phone triage, scheduling forms and managing chronic needs of IBD patients.

### **Responsibilities**

- Providing nursing care to gastroenterology patients
- Administer IV infusions, start IVs, draw blood. Monitor patient throughout infusion.
- Responsible for triaging patients, by phone or in person. The nurse appropriately incorporates the use of established protocols, available information, clinical judgement, and delegation to resolve the patient's issues.
- Assist the provider in managing chronic needs of IBD patients
- Review patients chart pre-procedure to ensure patient is scheduled at appropriate medical facility with appropriate level of sedation. Determines need for medical/cardiac clearance and medication holds; requests needed approvals from outside providers. Instruct patient on pre-procedure prep instructions and medication holds.
- Educate patients on their medical conditions and medications, including potential side effects, medication administration, etc.
- Ensures correct prescriptions by communicating with the healthcare provider and the pharmacy regarding new prescriptions, medication changes and refills.
- Differentiates normal from abnormal results and obtain recommendations from provider. Review results and recommendations with patient.
- Acts as a resource for medical assistants and non-clinical staff
- Documents patient care using EHR

### **Experience/Education/Requirements**

- A current Registered Nurse (RN) license is required.
- Graduate of accredited school of nursing required. BSN preferred.
- 1 year of nursing experience required, acute care experience preferred
- BLS upon hire

Join our team of dedicated professionals who are committed to delivering exceptional care to our patients. Your expertise as a Registered Nurse will be instrumental in providing care and support within our healthcare community.
