

Phase 2

Patient & visitor access route

Area closed for construction

E. Hampden Ave. Renovations

HCA HealthONE Swedish is open 24/7 during the City of Englewood's infrastructure project

Current phase:

- Construction work is now in front of the main hospital.
- Patients and visitors accessing the 499 and 501 Buildings will enter and exit the front parking and valet area at the intersection of E. Hampden Ave. and S. Pearl St.
- Valet access to the 601 Building and 701/799 Buildings is not impacted.
